about

liber international summer school

The University of Cassino and Southern Lazio, in cooperation with the Abbey of Montecassino, is pleased to announce the organisation of its second Summer School for the benefit of master and PhD students, scholars, librarians and other experts or interested persons working with medieval manuscripts and early printed books.

The School aims to provide an updated vision of research trends and achievements in the fields of Greek and Latin manuscript research, with a particular focus on the manuscripts preserved in Montecassino. The School will also offer a chance for participants to discuss their own research projects with some of the world leading experts in manuscript studies. The rich programme includes guided visits to the Abbey of Montecassino, renowned for its abundance of medieval manuscript treasures.

The School will take place in Cassino (Frosinone, Italy). Each session at the University of Cassino will be followed by a visit to the Archive of Montecassino, where a selection of manuscripts related to the session's topic will be presented and analysed. Participants will be able to contribute to the analyses. Lectures languages: English and Italian.

The number of participants is limited to 20. The course will only be held if a minimum of twelve students register for participation.

Pre-registration is free. Please complete the enclosed form and send it by e-mail to liberschool@unicas.it before March 31, 2016. All candidates must submit a brief curriculum (education, work or research experiences, and a list of publications if available) and are expected to possess a basic knowledge of Latin, Latin Paleography and Codicology.

If the pre-registrations exceed the number of 20, the School reserves the right to make a selection based on the curricula. The selection is supervised by the Organising Committee and is based on the candidate's academic qualifications and research excellence (Master, PhD, publications, participation to research projects etc.). In case of equal merit, preference is given to the youngest candidate.

By April 30, 2016, all the accepted candidates will receive a confirmation notice by e-mail, along with further information to complete the registration process.

The registration fee is 250 euros. The fee is to be paid after the confirmation of acceptance has been received. The fee includes admission to all of the school's sessions and visits, course materials, transportation to the Abbey of Montecassino, a **Welcome Dinner** on Monday 27th June and a **Bricolage** on Thursday 30th June, 2016.

All participants will receive a certificate of participation.
